GRANT CITY, Mo., August 14.—Twelve business houses were destroyed by fire here Saturday night. Loss estimated from \$35,000 to \$50,000; insurance about \$10,000.

Moneraly, Mo., August 14.—The court-house of Rando'ph county, at Huutsville, burned to the ground. All of the official documents of the city of Huntsville were destroyed, and many county records, in-cluding those of the circuit clerk, probate judge and sheriff. A portion of the records in the building were saved in a damaged condition. The real estate records are all condition. The real estate records are all right, as two sets of books were saved. The building cost \$33,000, and was insured for \$10,000. It was supposed at first to be a case of incendiariam, and rewards were offered for the perpetrators. It is believed now that the fire scarted from a cigarstump

A Vegetable Product. A Vegetable Product,
Only used in Ayan's Aguz Cure, has
proven itself a never failing and rapid
cure for every form of Malarial Disorder, Fever and Ague, or Chills and
Fever. No injury follows its use, and
its effects are permanent. It rouses
the system to a condition of vigorous
health, cleanses the blood of malarial
poison, and imparts a feeling of comfort and security most desirable in
Ague districts. It is an excellent tonic
and preventative, as well as cure, of Ague districts. It is an excellent tonic and preventative, as well as cure, of all complaints peculiar to malarious, marshy and miasmatic regions. The great superiority of Ayen's Ague Cure over any other compound is that it contains no Quinine, Arsenic, or mineral; consequently it produces no quinism or injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

The direct action of Ayen's Ague Cure upon the Liver and Digestive Organs makes it a superior remedy for Liver Compaints, producing many remarkable cures, where other medicines have failed.

For sale by all druggists.
